## BASIC & MAJOR CORRECTION GUIDLINES

In my 20 years of career i have witness that basic corrections is the major correction one must do for permanent good results, remedies are like painkiller which will give a relief for a certain time. So in my suggestion one must construct the fundamentals according to vastushastra norms for life time guaranteed results.

Below given some of the major problems and their permanent solution and temporary remedies which should be taken very seriously and fast action is recommended.

**THE GOLDEN LINE STANDS FOR A COPPER WIRE OR A BOUNDARY WALL WHICH HAS TO BE INSTALLED IN ORDER TO MAKE A PERFECT 90 DEGREE ANGLE.**

As our land shape is not a pure rectangle so a copper wire or a boundary wall must be applied in order to make a 90 degree angle in south west corner.

02

**THE RED LINE INDICATES THE CONSTRUCTION YOU MUST DO.**

Every wall specially in the south-west must be straight and 90 degree angled.

03

**THE ARROW REPRESENTS THE DRAINAGE OF THE ENTIRE HOUSE.**

All Water excluding the bathroom must flow in the north-east and then from a underground pipe it must go outside.

04

**ANY TYPE OF WATER TAP OR WATER PIT IS NOT ALLOWED IN S-E OR S-W ZONE**

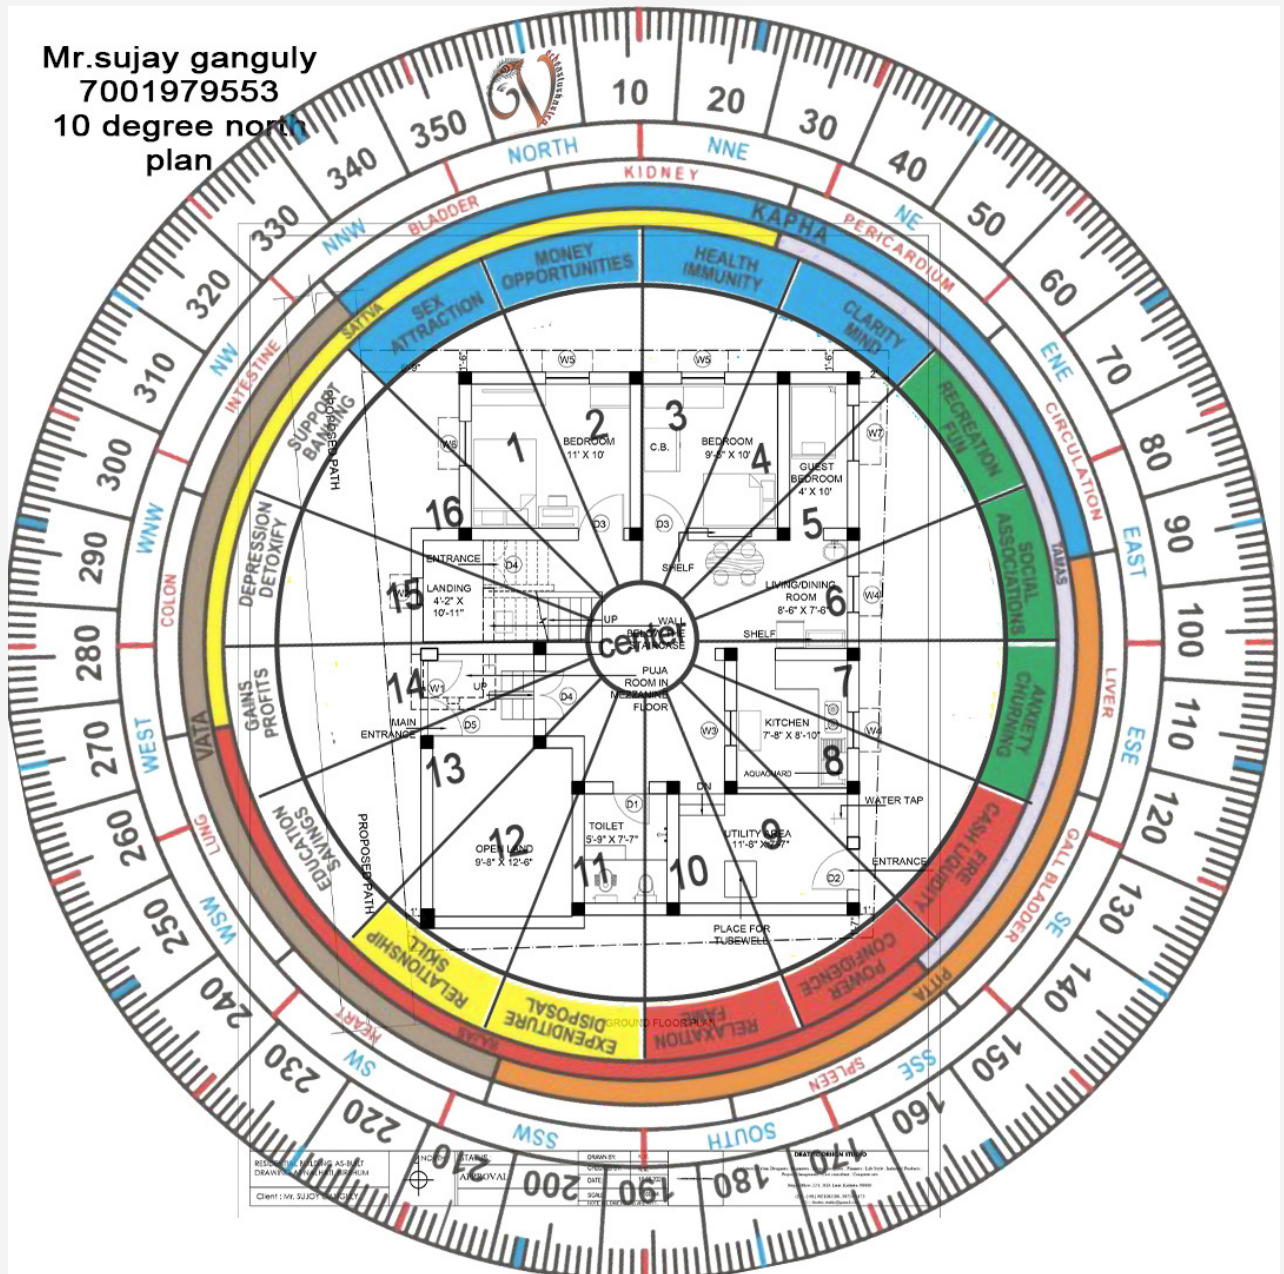

05

**A WELL OR A BOREWELL MUST BE PLACED IN THE NORTH - EAST ZONE. THE GREEN CIRCLE INDICATES THE RIGHT PLACE FOR WELL PLACEMENT.**
